

**Barclay Primary School and Children
Centre**

PSA

(Parent Staff Association)

Dear Parents/Carers,

As you will know from the flyer sent out on Friday, Barclay Summer Fete will take place on Saturday 16th July.

This is Barclay's biggest fundraiser event of the year and our success in the past years has been down to the help and support given by staff and parents in the weeks before and on the day itself.

If you are able to help in any way through:

- making a donation
- wrapping prizes at home
- helping to prepare things the day before
- helping to set up on the morning of the fete
- helping to run a stall at the fete
- tidying up after the fete,

please give your name and contact number to Julie in the office - every little bit of help is essential to us.

On **Friday** (8th July) we are asking for **donations of tins, packets and bottles of food/drink**. Please bring them on the day to the collection points when you bring or collect your child. There will be collection boxes in the Key Stage 1 playground, Year 3 playground, as well as the Year 4/5 playground. On the following Friday we will be asking for donations of books, toys and teddies. A reminder will go out nearer the time.

We are looking forward to making this fete a successful and enjoyable day for the whole community, so any offer of help no matter how small is greatly appreciated.

Thank you for your support
